## Centennial Facts...

Did you know that the current KAA building was once part of the old **Kent Inn**?

A beloved establishment, the Kent Inn once stood on the corner of Rt 7 and Rt 341 where the gas station now stands.

Left vacant for several years, the property was bought by the Gulf Oil Co. in 1956 and the Inn demolished - all but the newer inn/kitchen/dining room section.

This section was donated to the KAA and moved the short distance to land purchased for \$3,000.00 from Gulf Oil Co. by KAA founders.

If you look carefully, you can still see the old room number on the upstairs door and markings on the floor from the old guest room walls!

## Coffee Talk!

Our next Second Saturday Coffee Talk will be run by KAA member photographer, **Thomas Schoeller!**
