Help Us Out?

We are actively looking for donations towards a **new office computer system** (we are presently working with Windows 7 with no way to update due to the age of our old office computer).

A new system will allow us to use a membership data program, Quickbooks and other updated software to give us all a new and improved organizational and communications experience. If you can help, please email: kentartassociation@gmail.com

So far, we have \$200.00 dedicated towards our goal of \$1,200.00!

Coming Next Year...!

We will be dedicating one of our gallery rooms for rent for individual shows for members! These will be on a monthly show schedule starting in January, 2025.

To apply, please send your request to: kentartassociation@gmail.com for more information.
